Growing Forward: Catholic Education Symposium

In an exciting two day symposium, Dr. Reginald Bibby and Most Rev. Michael Miller will explore the current questions in Catholic education.

Their focus will be not only on addressing the contemporary challenges in Catholic education,

but also on moving forward and growing Catholic education into reaching its fullest potential. This will be a weekend of discovery, discussion, and discernment. We will engage in community and faith. We invite trustees, school administrators, school council members, parents, clergy, and anyone interested in Catholic education to join us for the symposium.

A Prayer for the New Year:

Let us begin the new year, with the same joy that we celebrated the birth of Jesus.

Let us be resolute in our decisions to follow God's will for us in all we do.

Let the light of the new year shine down the path that God has laid for us.

Let us live in community and in faith, bringing the news of rebirth and wonder to all who encounter us.

Let this year be a celebration.

Amen
