CCSTA 2019 Convention

Special Interests:

Eucharistic minister
Music ministry
Many planning committees
I love reading
Lifelong learning
Guitar and music
Spending time with family and friends

Why Catholic Education is Important:

Taught 27 years, so publicly funded Catholic schools are important. So we can spread the Good News of Jesus Christ. Catholic schools give parents a choice of Education in Alberta.

Other...

Parents are the first educators of our students, so they should have a choice of Education. Catholic schools work closely with parents and parishes to educate our students in a safe, caring and spiritual environment.
